

**Map of field site and buoy locations.** Going from north to south, the field sites (filled triangles) are Paradise Cay, Point Chauncey, Brickyard Park, and Horseshoe Bay. The buoys (hollow triangles) from north to south are from China Camp (coastal observations reference), Tiburon Peninsula (EOS reference), Richardson Bay (NERR reference), and Fort Point (UCD Boon reference).

Note: need to update. add references, font is small, need a key
